MOST WORSHIPFUL PRINCE HALL GRAND  
LODGE OF TEXAS – DISTRICT 15A

## BOOKS BETWEEN KIDS

JANUARY 29, 2022

The Brothers of Bayou City Lodge No. 228 kicked off the new year with boots on the ground. Under the leadership of WM Craig McLaurin, the lodge set out to aid and assist an organization that provides books to children across Houston.

Members of Bayou City arrived at the Books Between Kids warehouse ready to work. Brothers provided hands on assistance from sorting books to moving hundreds of boxes and taking out the recycling.

Books Between Kids is a non-profit organization serving Houston's at-risk children by providing them with books to build their own home libraries. Since their founding in 2013, they have distributed over 2 million books to kids in the greater Houston area.
